Magoon Asks Aid of General Bell, Who Dispatches Troops.

WASHINGTON, December P5.—Secretary Taft has received advices from Governor Magoon at Havana indicating that a more or less unsettled condition of affairs exists in certain parts of Cuba, and that in Santa Ciara Province some lawless bands are operating and gillagion. Therefore, at the Governor's instance, General Bell has ordered a considerable reinforcement of the garrison of American troops in that province. For the first time since the second occupation of the island by the Americans, it has become necessary for the troops to undertake themselves the suppression of these disorders instead of leaving this task to the native Cuban rurales, which in some quarters is regarded as an indication of WASHINGTON, December 26. Ask for the Genuine

And see that you get what you ask for

The largely increased demand for Sun Cured tobacco, created and sustained by the distinctive quality of the original Reynolds' Sun Cured tobacco, has encouraged other manufacturers to place on the market imitation brands and tags which are made to look so near like the genuine Reynolds' Sun Gured. that unsuspecting chewers and dealers receive the imitations under the belief that they are getting the genuine Reynolds' Sun Cured tobacco.

Look close and see that the letters on the tag spell R-e-y-n-o-l-d-s' Sun Cured, and you cannot be deceived in getting what you ask for and want, -the best value for your money that can be produced from the genuine Sun Cured tobacco, grown where the best sun-cured tobacco grows.

ASK FOR "REYNOLDS"

and see that you get the original and genuine Sun Cured tobacco.

It's like you formerly got, before Reynolds' Sun Cured was offered to the trade, costing from 60c to \$1.00 per pound, and is sold at 50c per pound in 5c cuts, strictly 10 and 15 cent plugs.
